

## **At Living Care Lifestyles and Quail Park Communities We Value Your Privacy**

To better protect your privacy, we are providing this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available throughout our websites at every point where personal information may be requested.

### **Collection of Your Personal Information**

When visiting Living Care Lifestyles and Quail Park Community Page, the IP address used to access the site will be logged along with the dates and times of access. This information is purely used to analyze customer trends, administer the site, track users' movement and gather broad demographic information for internal market use. Most important, any recorded IP addresses are not linked to your personally identifiable information.

### **Links on our websites to Third-Party Services and their Websites**

We have included links on our site for your use and reference. We are not responsible for the privacy policies on these third-party websites. You should be aware that the privacy policies of these sites may differ from our own.

### **How We Use Google Analytics**

The Living care Lifestyles and Quail Park Communities use the Google Analytics tool to measure traffic on the site and traffic to the site through our online and digital advertising. This includes using certain Advertising Features, which enable Google Analytics to collect data about users via Google advertising cookies and identifiers, in addition to anonymous data collected through the standard Google Analytics implementation.

### **opt Out**

There are several ways to opt out of [interest-based advertising](#) and/or all tracking related to Google Analytics and its advertising features.

You can opt out of interest-based ads by Google through Ads Settings. When you opt out, you'll still see ads, but they may not be related to factors such as your interests, previous visits to other websites, or demographic details. Obtain instructions [here](#).

The Network Advertising Initiative offers a free tool that allows users to opt out from receiving interest-based ads from some or all NAI participating member companies that use cookies on your computer browser to collect data for interest-based advertising. Find information about it [here](#).

Website visitors can totally block Google Analytics with the **Google Analytics opt-out browser add-on**(click to download). This add-on instructs the Google Analytics JavaScript (ga.js, analytics.js, and dc.js) running on websites to prohibit their information from being used by Google Analytics. Using the Google Analytics opt-out plug-in will not prevent site owners from using other tools to measure site analytics. Learn more about the opt-out and how to properly install the browser add-on [here](#).
